

YOUR FREE INVITATION

The **FUTURE PHOTONICS** Hub

Advancing the manufacturing of
next-generation light technologies

13th September 2016 | University of Southampton

INDUSTRY DAY

EXHIBITION
CONFERENCE
NETWORKING
CAREERS

EVENT OPENING TIMES 9AM – 6PM

**FREE
ENTRY**

The exhibition is all about photonics and vacuum equipment for research, the manufacture and application of **Light Technologies**.

Exhibitors include:

Alrad Photonics

AP Technologies

Avantes

Compound Semiconductor Centre (CSC)

Elliot Scientific Ltd

Fibercore

The Future Photonics Hub

Hamamatsu Photonics

Interface Precision Engineering

Lambda Photometrics Ltd

Laser Components (UK) Ltd

Laser Quantum

Laser Support Services

Lenton Furnaces

Leybold

MotionLink

Newport Spectra-Physics

Ocean Optics BV

OpTek Systems

PI Ltd

PI-KEM Ltd

Princeton Instruments

Pro-lite Technology

Thermal Vision Research

Thorlabs

...and many more!!

The exhibition brings together the UK's top supplier companies, leading researchers attending the 'Industry Day' and visitors from companies from all over the South of England for this special one-day event.

Visit this unique event and:

- **Meet 25 exhibitors face-to-face**
- **View latest components, instruments & tools for vacuum and light technologies**

Register in advance for the exhibition or as a conference delegate via:

www.xmarkmedia.com/futurephotonicsHub/
